11 IN RE MAGMA DESIGN AUTOMATION,
12 INC. SECURITIES LITIGATION

No. C 05-02394 CRB

13 **ORDER**
14

15 Now pending before the Court is defendant's motion to dismiss on the grounds that
16 plaintiffs fail to satisfy the pleading standards of the Private Securities Litigation Reform Act
17 of 1995 ("PSLRA"). Plaintiffs' Opposition identifies several areas of material importance
18 that could benefit from amending the Complaint. Accordingly, and in the interest of
19 efficiency, the Court hereby vacates the hearing on defendant's motion to dismiss set for
20 June 23, 2006, and grants plaintiffs leave to file an amended complaint so that all relevant
21 and particular allegations can be presented to the Court at once. The amended complaint
22 shall be filed no later than June 30, 2006. Defendant shall file its motion to dismiss on or
23 before July 14, 2006. The Court will hear oral argument on August 18, 2006, in accordance
24 with the local rules.

25 **IT IS SO ORDERED.**
